WEIGHED IN THE BALANCES

*“God’s work
done in God’s
way will never
lack God’s
supply.”
Hudson Taylor*

To carefully ponder or assess the merits and demerits of something is to “weigh it in the balances.”

To the left is a picture of a scale that we had the pleasure of using for a season as we sought to serve people with the food distribution. These scales certainly helped weighing items but clearly left us wanting. Due to the volume of the items weighed, the insufficiency and functionality that the scale provided was inadequate.

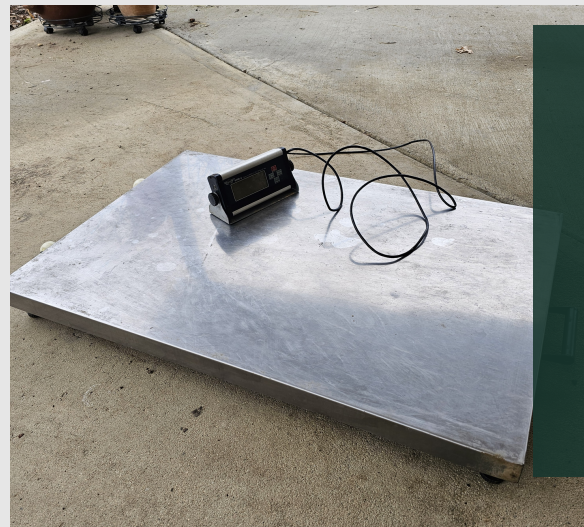

We wanted to get something that would make the job easier and more efficient. Eventually, we acquired a bit larger scale but still it was not what we had hoped for. At the start of the New Year, the Lord laid on someone’s heart to donate the scale in the picture below. Thank you so much!!!

The constant growth that we encounter with the food distribution has been a delight. We truly are thankful to be counted worthy to be used by Him!

Through this journey of life, we are constantly faced with weights that are often too heavy for us to carry alone. Jesus tells us to come to Him and He will give us rest. His yoke is easy and His burden is light.

Hebrews 12:1 states, “Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and sin which clings so closely, and let us run with perseverance the race that is set before us.”

Jesus promises that balance, which we all so desperately need. Casting all our cares on Him, we are no longer in want.
