Is anything
too hard
for the
Lord?
Genesis
18:14a

Miraculously, after contacting several gravel suppliers for pricing, an independent family-owned company offered to cover the material if we covered delivery charges.

“WHAT!!!” “Are you kidding me?” was my response. I had not asked for a discount or anything. God, the supplier of all our needs had gone before me. I was astonished. (And still am). I began crying and expressing our gratitude. The money that the gravel should have cost will now be able to be spent to further the remodeling of the distribution center.

This is a beautiful story of the wonder working power of the One True God we serve.

ON CHRIST THE SOLID ROCK I STAND

“Listen to Me, you who pursue righteousness and who seek the LORD: Look to the Rock from which you were cut and to the quarry from which you were hewn;” Isaiah 51:1

This verse is very fitting with the answer to prayer that has been delivered to us this month. We have been praying for over a year about gravel for the food distribution building. Finally, knowing the time had come that we must make a move, I began calling around.

“Trust in the Lord and do good; dwell in the land and enjoy safe pasture. Take delight in the Lord, and he will give you the desires of your heart.” Psalm 37:3-4

God's work done
in God's way
will never lack
God's supply.
