

OPEN DOORS MISSIONS RELIEF

A WORK IN PROGRESS!

*God is not unjust;
He will not forget
your work and the
love you have
shown Him as you
have helped His
people and
continue to help
them.
~Hebrews 6:10*

We are happy to announce that we have been in the distribution center for one month. Every step forward, feels like a great stride.

With the new distribution center being open, there are several challenges that we face. One being the gravel floor. This makes it difficult for some to walk around the center. Our hope is to fix this promptly and we are saving toward getting the supplies needed to complete that project. Every dollar donated, will go into that fund until complete. Though we may have to give some attention to the parking before it turns into a mud track. 😊

Even with the flaws of the facility, I believe it is so much better than it was. No long lines, No time restraints, and No standing in the cold or heat. With that being said, we have time to pray with people and build relationships. Being able to give individual attention to you is important to us. You are dearly loved children of God, *Colossians 3:12* and we want you to feel that way when you come here.

TEAMWORK

We are grateful for the volunteers and donors that give so generously to this ministry. We could not do it without you. You truly are a huge asset to have on our team. We are humbled and honored to work alongside such dedicated and passionate individuals looking to serve and put others needs before their own. Thank you for helping us serve His people for His glory!

Henry Ford once stated, "Coming together is a beginning. Keeping together is a progress. Working together is a success."

With you on our team the success of servitude has become a reality.

Prayer needs:

We ask that you be in prayer with us for this ministry to continue to move forward in serving our communities and missionaries around the world. We pray for favor as we seek other avenues to acquire food for distribution. We ask for wisdom as we maintain the Mission House and ways to get the word out about it. Our greatest desire is to serve missionaries and pastors with this beautiful home. Giving them a chance to rest before they return to the field to minister.

Lastly, we ask you to pray for our family to not look to our own interests but to the interests of others, honoring them above ourselves.

Can you help us spread the word in your area of influence? Thank you and God Bless!

“Generosity is impossible apart from our love of God and of His people. But with such love, generosity not only is possible but inevitable.”

Revelation 3:20 “Behold! I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him, and dine with him, and he with Me.”
